**“A TRADITION OF EXCELLENCE”**

---

2019-2020

Dear Manchester High School Families,

We hope you all have had an enjoyable summer and are ready to begin a new school year. I am so excited to be serving you as your principal this year. Manchester High School has become a very special place for me. I have learned a great deal from the community, parents, and students about the rich heritage of this school. It is with great joy I look to you, and challenge you – the community, business partners, parents, and students to put a star on the Georgia map that states “**MHS: The Greatest Small School in Georgia**”!

Together we will continue to raise the bar for our students’ educational and social/emotional growth. The MHS family has worked hard to increase student achievement every year to enable our students to compete globally in post-secondary schools and in the workforce. We have opened our doors wide to provide all students with the opportunity to learn and be successful. College classes and career tech classes assist students in finding their future career. Discipline structures, attendance policies, and extra- curricular activities have been implemented to assist our students in developing a lifestyle for social/emotional growth.

I request that you stay in contact with your child’s teachers and monitor their attendance and grades using Infinite Campus. Feel free to visit or call the school if you need help with anything. The most important thing I have to say to you is *every child in this school is important to me*. Your child is also mine when they enter this campus. I pledge to do my very best to help each child have a successful and safe school year. Decisions on this campus will be made to benefit the students and their future. Join in and be a part of your child’s education and together we will celebrate the best year ever!

Your Principal,

Susan Zeigler
