# What is Title I ?

- ▶ Title I began in 1965 (ESEA) as a **federal program to ensure equal opportunities for low income school districts.**
- ▶ Through Title I, the federal government **disburses money to school districts based on the number of low-income families in each district** as determined by census data.
- ▶ The school **uses its Title I money to supplement and improve educational programs offered to help ALL students meet state standards.**

# The Purpose of Title I

... is to ensure that **ALL students** have a **fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments.**

# School Goals for FY25

- **Goal # 1:**

Manchester High School will obtain a 3% increase annually in the percentage of students scoring “DEVELOPING -or- Higher” on the 2026 Georgia End-of-Course Tests through the use of engaging, data-driven, rigorous, evidence-based instruction to meet the needs of all students.

- **Goal # 2:**

Increase the percentage of students in attendance for the 25-26 school year from 90.82% (24-25) to 92%.

- **Goal # 3:**

By the end of the 2025-2026 school year, there will be monthly professional development using the results from the MCSS needs assessment survey administered in May 2025.

- Georgia uses the **College and Career Ready Performance Index (CCRPI)** for state accountability purposes.
- The CCRPI is like a **REPORT CARD** for schools.
- CCRPI has multiple indicators to determine a school's performance, rather than using a single test score given at one point in time.
