

Dr. Robert A. Griffin, Superintendent

Willie A. Hinton, Jr., Chairman | Bob M. Patterson, Vice Chair | Christopher Owens | Bradley Smith | Rebecca "Kay" King

Dear MMS/MHS parents,

The safety of our students and staff is our top priority, and the district has taken several steps to ensure schools are safe learning environments. Students in sixth through 12th grade will be required to use clear backpacks.

There have been several documented incidents across Georgia and the nation regarding weapon possession at schools since this school year began. This is a proactive effort to assure the safety and well-being of all students and staff.

The district has purchased and will distribute a free clear backpack to secondary students on Wednesday, August 31st.
